1.0 Purpose

The purpose of this procedure is to establish a consistent and documented method for requesting Operations and Maintenance Funding, (O&M) at the NASA IV&V Facility.

2.0 Scope

This WI applies to requesting Operations and Maintenance Funding, (O&M) at the NASA IV&V Facility.

3.0 Definitions and Acronyms

3.1 Resource Manager (RM)

The RM is a government employee responsible for managing the IV&V Facility's Resource Management Office. The RM is responsible for ensuring the overall integrity of the financial dollars for the IV&V Facility. The RM will implement financial controls through various systems.

3.2 Project Manager (PM)

An IV&V Facility government employee appointed by Facility management who performs a project management function. PMs are responsible for the project's financial plan which may include Corporate G&A: contract dollars, Operation and Maintenance (O&M) funds, and Director's Discretionary Funds (DDF). PMs must verify monthly 533 data from the contractor. PMs are responsible for out year project financial projections (see SLP 9-4). For the context of this SLP, a project is any IV&V, IA, System/Software-Engineering or other task being performed by the IV&V Facility for a customer.

3.3 Program Analyst (PA)

An IV&V Facility government employee who performs Program, Project, and Facility financial analysis. The PAs are responsible for entering monthly 533M cost data into the IFM system and into the IV&V Facility Financial System. PAs are responsible for recording funding received and generating Procurement Requests via the Integrated Financial

6.0 Procedure

6.1 O&M Request

When someone is requesting Operational and Maintenance Funding, the requester shall submit an O&M Request via a web form found on the NASA IV&V Facility Website Portal. The form can be accessed by clicking RMO Office under the Help and Support within the IV&V Facility Portal. Select the O&M Form link under the Forms section to Login. Then type in your user ID and password and this will bring up the O&M form. If you are a new user, click the new user link or Request Account link within the RMO page.

Complete ALL the fields within the O&M request form. If a field is not applicable, then type N/A on the field or if it is 0 then type 0. An error message will appear if one field is left blank on the form and you will not be able to submit the form. After completion of the form, submit it to the Operations Manager for approval by clicking the Submit icon. The form will be sent electronically. After the form is approved or denied, it will be submitted to the Resource Manager and Program Analyst for processing. The Requester will be notified via email of the Operations & Maintenance approval or denial.

Note: It is recommended that a requestor present their request to the Associate of Operations informally with explanations and justifications prior to submitting the formal electronic request.
